

Aichi International School 2020

After School Programs

At Aichi International School (AIS), we also offer English language and culture enrichment programs after school for children to expand their world of knowledge. The English Intelligence Program boosts English language proficiency and communicative skill, while the Culture Enrichment Program offers other language options, together with modern and traditional activities.

Program schedules for 2020-21 are listed below. All classes run for approximately 33 weeks over the year; a calendar with details of exact class dates is available upon request.

Please note that class fees are paid at the beginning of each term. Completed application forms can be delivered or faxed to the AIS office. We look forward to you joining us.
