

Open School Event

Aichi International School is offering a **FREE** day of school for all children around Nagoya, between the ages of 2-11 years old. On **Tuesday 31st March** AIS's doors will be open for anyone to study in English. This is a great opportunity for children to experience the surroundings and environment of an accredited bi-lingual international school.

Children can come and experience lessons taught in English for a full-day between **8.30am-3.15pm**. Students will be able to participate in 6 one hour lessons throughout the school day. Students will be placed and grouped together in classes based on their ages.

There will also be an hour for lunch, and students should bring their own lunch with them.

Everyone is welcome ! To find out more about this day, or to enroll your child in the Open School day, please contact Aichi International School.
